

FOUR WAYS TO GIVE TO THETA PHI AFFILIATED INITIATIVES

1. Theta Phi/Camp Huntington Project Fund – Each year Theta Phi and the Director of Camp Huntington collaborate to select a Funding Project for Theta Phi. This year's project is refurbishment of curtains, seat cushions and rugs for the Staff House. Any funds left over will be rolled over to the following year's selected project.
2. Theta Phi/Camp Huntington Program Endowment Fund – Seeded with a \$35,000 donation from Theta Phi, this fund will pay out annually in perpetuity according to the funds available. Funding will be applied at the discretion of the Director of Camp Huntington, to activities relevant to the advancement of educational opportunities for students of Huntington Camp's Environmental and Outdoor Education Programs.
3. Theta Phi/Marjorie Dey Carter Scholarship Fund – Seeded by \$10,000 from Theta Phi, as well as many donations from sisters over the past 10 years, this \$1,000 scholarship is awarded annually as funds permit. With ongoing donations this scholarship could become an endowment capable of paying out scholarships in perpetuity. Funding would need to reach an approximately \$25,000 threshold for this to be possible.

For any of the above ways to give, any of which is tax-deductible, simply specify on the comments line of your check to dedicate funds to the program of your choice from the above, with check made out to Cortland College Foundation, and send your donation to:

**Cortland College Foundation
Brockway Hall Rm 312
