President's Message

I hope this finds you all having had a wonderful holiday season and a healthy start to 2018. With the arrival of the newsletter, we'll soon be able to declare that spring has sprung. Karen Keegan, '71, has put together another outstanding edition. As usual, she led a team effort with several sisters contributing articles and information.

If we think about it, a team effort is the approach we use with ALL of our projects. Such was the case with our 2017 Fall Raquette Lake weekend. Teamwork was the only way we could have accomplished our first ever, "Murder Mystery". It was woven into a wine and cheese social and our annual auction. Then the evening included our general meeting, the "Big Reveal of the Murderess" and a dance party! All of the above was in addition to the early morning coffee service, kayaking and hikes throughout the weekend.

If you join us, you can do all or part of the activities. Some sisters like to find a quiet spot to just enjoy the mountains. MOST IMPORTANT...we all love seeing both old friends and sisters who come back after years away.

Please keep in touch. It's important we hear from our, "Long Long Line of Thetas".

Enjoy, be well, go team..

Theta Love,

Pat Quinn, '72
